NOTES:

1. Applicants will commence training from 1st February 2011.
2. Applicants (with the exception to Family Medicine) must have an independent registration with the Health Professions Council of South Africa (HPCSA).
3. Registrars will be required to register as postgraduate students of Walter Sisulu University (WSU) on an annual basis.
4. It is the requirement of training that Registrars successfully complete the appropriate College of Medicine examinations prior to their registration as specialists with the HPCSA and submit a dissertation by research for the additional award of the M.Med Degree of Walter Sisulu University.
5. Registrars may be required to rotate through hospitals of the WSU Teaching Hospital Complexes in Mthatha, East London, Port Elizabeth and Grahamstown and/or other Teaching Hospital Complexes when deemed necessary.
6. Applicants for the subspecialty positions must be registered in the appropriate specialty.
7. Proof of all academic records must be submitted (including matric certificate).
8. Registrar application forms may be obtained from the Postgraduate Office of the Faculty of Health Sciences at WSU and from the Health Resource Centres in East London, Port Elizabeth and Queenstown.
9. The closing date is **03 September 2010**. Application forms together with Z83 forms, letter of motivation for appointment, CV, certified copies of professional certificates and a certified copy of matriculation certificate, must be sent to: The Coordinator, Postgraduate Education and Training, Faculty of Health Sciences, Walter Sisulu University, Private Bag XI, Mthatha - Unitra, 5117.
10. For more information call 047 502 2100 / 2652 or email dabata@wsu.ac.za
